3. Appointment of Auditors for the financial year 2025.

Required quorum:	20% of share capital
Required quorum of Repeat Meeting:	no minimum
Required majority:	50% + 1 of votes (present in person or by proxy)

On Audit Committee's proposal, the BoD recommends to the AGM the reappointment of KPMG Certified Auditors S.A. (KPMG) as the statutory auditor to carry out the statutory audit of the Annual Separate and Consolidated Financial Statements, as well as for the audit and assurance of the submission of the Sustainability Statement, according to the provisions of article 154C of L. 4548/2018, for the financial year 2025.

Finally, it is recommended to the AGM the KPMG's relevant fees for the statutory audit of the Annual Separate and Consolidated Financial Statements of the Company for the financial year 2025 to amount to €0.3 m. and to €0.3 m. for the audit and assurance of the submission of the Sustainability Statement, according to the provisions of article 154C of L. 4548/2018, for the financial year 2025.

Given that it has been decided to initiate the merger process of the Company with its 100% subsidiary "Eurobank S.A." ("Bank"), through absorption of the Company by the Bank, and the merger is expected to be completed within 2025, in this case (of the completion of the merger within 2025), KPMG fees will not be incurred by the Company and instead a fee of €0.1m, for the Bank's audit of the Annual Separate and Consolidated Financial Statements for the financial year 2025, and a fee of €0.25m, for the audit and assurance of the submission of the Sustainability Report of the Bank, according to the provisions of article 154C of L. 4548/2018, for the financial year 2025, will be incurred by the Bank, universal successor of the Company.

The total fees paid to KPMG for audit and other services rendered during the financial year 2024 for the Company and its Group are analyzed in note 20 and 47 of the 2024 Annual Separate and Consolidated Financial Statements of the Company, respectively, according to the provisions of article 29 of L. 4308/2014.

Draft proposed resolution on aforementioned item of the agenda:

The AGM, with a majority exceeding the minimum required by the law, approved:

a) the appointment of the firm KPMG Certified Auditors S.A. (KPMG) as statutory auditor to carry out the statutory audit of the Annual Separate and Consolidated Financial Statements of the Company for the financial year 2025, as well as for the audit and assurance of the submission of the Sustainability Statement, according to the provisions of article 154C of L. 4548/2018, for the financial year 2025; and

Given that it has been decided to initiate the merger process of the Company with its 100% subsidiary Bank, through absorption of the Company by the Bank, and the merger is expected to be completed within 2025, in this case (of the completion of the merger within 2025), KPMG fees will not be incurred by the Company and instead a fee of €0.1m, for the Bank's audit of the Annual Separate and Consolidated Financial Statements for the financial year 2025, and a fee of €0.25m, for the audit and assurance of the submission of the Sustainability Report of the Bank, according to the provisions of article 154C of l. 4548/2018, for the financial year 2025, will be incurred by the Bank, universal successor of the Company.

In addition, it is clarified that based on the Financial Statements for the year ended 31 December 2024, which have already been approved by the AGM under agenda item 1, the amount will be distributed from the "Special Reserves" account. It is noted that the dividend per share has increased by 13% compared to the previous year.

The estimated key dates for the dividend distribution are:

- a. Monday 05.05.2025: Ex-dividend date (namely the date from which the Company's shares are traded on the Athens Exchange without the right to receive dividend),
- b. Tuesday 06.05.2025: Dividend beneficiaries record date (namely the date on which all the registered shareholders in the files of the Company's Electronic Securities System shall be identified as beneficiaries of dividend), and
- c. Friday 09.05.2025 Dividend Payment date (namely the date on which the dividend cash payment shall commence).

On that day, the dividend will be credited to Eurobank S.A. ("Bank") accounts of those shareholders who have appointed the Bank as their operator in the Electronic Securities System. Shareholders who have authorized other operators for the collection of their dividends may collect their dividends from their operators.

It is also proposed that the necessary authorizations for the implementation of the procedural details are provided to the Company's Board of Directors.

It is noted that the dividend distribution is subject to the relevant approval of the European Central Bank.

Draft proposed resolution on aforementioned item of the agenda:

The AGM, with a majority exceeding the minimum required by the law, approved the dividend distribution to shareholders, amounting to €386,057,314.55, from the "Special Reserves" account and authorized the Board of Directors to do everything necessary or appropriate in the context of the implementation of this decision of the AGM.

5. Approval of the distribution of the Company's Net Profits to executives and employees of the Company.

Required quorum: 20% of share capital

Required quorum of Repeat Meeting: no minimum

Required majority: 50% + 1 of votes (present in person or by proxy)

The Board of Directors taking into account:

- The achievement of the Group's targets
- The financial results and profitability for the financial year 2024

- The recommendation of the Company's Remuneration Committee proposes the distribution of the total amount €437,670 (increased by 8% versus last year) which will be paid according to the Company's Remuneration Policy. For the more comprehensive information of the Company's shareholders, it is noted that the respective amount that will be distributed to executives and employees of the subsidiary Eurobank S.A. amounts to €31,222,662 (increased by 19% versus last year), which will be paid according to the Bank's Remuneration Policy.

It should be noted that according to the legislation in force and the Remuneration Policy for the employees with material impact on the Company's/Bank's risk profile the profit sharing, as well as the other variable remuneration that they receive in the form of stock options rights, is deferred and paid over the next 4-5 years in equal installments, for a percentage ranging from 40% to 70% depending on the individual's position. These payments are subject to "Malus" (reduction of unvested compensation) or "Clawback" (recover of paid compensation) arrangements.

It is clarified that based on the Financial Statements for the year ended 31 December 2024, which have already been approved by the AGM (item 1), the amount will be distributed from the "Special Reserves" account.

6. Acquisition of own shares.

Required quorum: 20% of share capital

Required quorum of Repeat Meeting: no minimum

Required majority: 50% + 1 of votes (present in person or by proxy)

Board's proposal/comment on the above agenda item:

The BoD, taking into account on the one hand the best international best practices and, on the other hand, the provisions of the Shareholders' Remuneration Policy, proposes to the shareholders' AGM, the approval of a share buyback programme ("Programme") in accordance with the terms and conditions provided by Article 49 of Law 4548/2018.

It is noted that the Company has already initiated the process for the merger with «Eurobank S.A.» ("Bank") according to which the Company will be absorbed by the Bank. ("Merger"). The buyback of own shares by the Company will be paused prior to the convocation of the general meeting of the Company's shareholders for the approval of the Merger ("Phase A"), but the Bank, as the universal successor of the Company, will continue the implementation of the Programme after the completion of the Merger. The own shares that will have been acquired by the Company in Phase A will be canceled with a corresponding reduction of the share capital. The Bank intends to use the own shares it will acquire following the completion of the Merger in order to reduce its share capital in accordance with Article 49 of Law 4548/2018, and/or for distribution to the company's employees and/or the members of its management and/or its affiliated companies, and/or for other purposes as provided by the applicable law.

The BoD requests from the AGM to approve the Programme under the following terms:

- i) The total cost of the Programme will not exceed the amount of € 287,942,685.45 and in any case, the own shares that will be acquired will not exceed 10% of the Company's paid-in share capital, in accordance with the legislation in force.
- ii) The duration of the Program will not exceed 12 months, starting from the day of receipt of ECB's decision granting supervisory permission of the Programme.
- iii) The minimum price per share for the acquisition of own shares under the Programme to be set at the nominal value of the share, i.e. €0.22, and the maximum price to be set at €10.

It is noted that the implementation of the Programme is subject to the relevant approval of the European Central Bank.

Draft proposed resolution on aforementioned item of the agenda:

The AGM with a majority exceeding the minimum required by the law:

1) Approved the Programme under the following terms: (i) the total cost of the Programme that will not exceed the amount of € 287,942,685.45, and in any case, the own shares that will be acquired will not exceed 10% of the Company's paid-in Share Capital, in accordance with the legislation in force; (ii) the duration of the Programme, which will not exceed 12 months, starting from the day of receipt of ECB's decision granting supervisory permission of the Programme; and (iii) the proposed range for the acquisition of the shares under the Programme, which sets as minimum price, the nominal value of the share i.e. €0.22 and as maximum price the €10.

2) Authorized the BoD to determine at its discretion any other detail and take all necessary actions, delegating the relevant authorities to the appropriate individuals, for the implementation of the Programme.

7. Approvals according to article 86 of L. 4261/2014.

Required quorum: 50% of share capital

Required quorum of Repeat Meeting: 50% of share capital

Required majority: 66% of votes (present in person or by proxy)

It is noted that in case that the above required quorum is not achieved, the AGM decides by a majority of 75% of the votes represented (in person or by proxy).

Following the recommendation of the Remuneration Committee, the BoD proposes to the AGM to approve, pursuant to the provisions and following the procedure of article 86 of L. 4261/2014, a higher than 100% maximum level of the ratio between the fixed and variable components of remuneration for the following eight (8) executives:

1. Chief Executive Officer (CEO): 175%
(no variable remuneration changes versus last year)
2. Deputy CEO, Group Chief Operating Officer (COO) & International Activities: 149%
(no variable remuneration changes versus last year)
3. Deputy CEO, Head of Corporate & Investment Banking: 149%
(no variable remuneration changes versus last year)
4. Deputy CEO, Head of Retail & Digital Banking: 136%
(7% variable remuneration increase versus last year)
5. General Manager Group Risk Management, Group Chief Risk Officer (Group CRO): 134%
(4% variable remuneration increase versus last year)
6. General Manager Group Finance, Group Chief Financial Officer (Group CFO): 134%
(4% variable remuneration increase versus last year)
7. General Manager Group Strategy: 137%
(6% variable remuneration increase versus last year)
8. General Manager Markets: 117%
(no variable remuneration changes versus last year)

For the proposed ratios of variable remuneration the responsibilities of the specific executives as well as the variable remuneration paid in the banking sector, but also in businesses of other important sectors of the economy, in Greece and abroad, were taken into consideration. The aforementioned are senior executives with responsibility for the overall course of the Group, inside and outside Greece. The proposed ratios of variable remuneration are also provided as recognition of their strong commitment to the Group's results. In addition, it is noted that although the Group net profit has increased by 27% versus last year, the variable remuneration of the CEO and the two (2) other executive members of the Board of Directors is not changing, so that the increases in the amount of profit distribution (under 5 above) and in total of the variable remuneration to be directed to the remaining executives and employees of the Company.

The proposed variable remuneration will be paid based on the Remuneration Policy: 50% in cash, through profit sharing (item 5 above), and 50% in the form of stock options (in accordance with the 5-years Stock Options Plan approved by the General Meeting on 28.07.2020). The CEO will receive 30% of the total variable remuneration upfront, and the remaining 70% will be deferred and paid over the next 5 years in equal installments. The same deferral period applies to the other senior executives for 60% of their total variable remuneration.

It is noted that the total deferred variable remuneration is subject to "Malus" (reduction of unvested compensation) or "Clawback" (recover of paid compensation) arrangements.

The proposed variable remuneration is gradually recognized in the financial results and included in the 3-year Business Plan approved by the BoD, as well as in the ICAAP report submitted to the regulator, both resulting that a sound capital base is maintained with projected capital ratios substantially higher than the regulatory requirements. It is also noted that the portion of variable remuneration paid through stock options does not burden the net worth and capital base on the contrary, it strengthens it by the amount of the exercised stock options.

Draft proposed resolution on aforementioned item of the agenda:

The AGM, with a majority exceeding the minimum required by the law, approved, pursuant to the provisions and following the procedure of article 86 of L. 4261/2014, a higher than 100% maximum level of the ratio between the fixed and variable components of remuneration for the above eight (8) executives, as proposed hereinabove by the BoD.

In addition, it is noted that the Group net profit has increased by 27% versus last year whereas the aforementioned proposals provide for an average increase of 8%.

It is noted that, due to same composition of the Board of the Company with the Board of its subsidiary "Eurobank S.A." ("Bank") and of the Board Committees of these companies (either such Committees function in the Company or not), the Directors shall be paid solely by one of the two entities, and more precisely by the Bank.

It is understood that in case the above-mentioned positions are not held throughout the entire financial year of 2025, an amount corresponding to the respective period will be paid.

Should the quorum required by law not be achieved, the Annual General Meeting of the shareholders of the Company will take place in Repetitive Meeting on Thursday, 15 May 2025, at 10:00 a.m., also remotely in real time via teleconference, without the publication of a further invitation.

The Annual General Meeting and any Repetitive Meeting will take place remotely in real time via teleconference by electronic means, under the conditions of the legislation in force and the specific provisions in the present invitation.

In addition, in accordance with the provisions in the Articles of Association of the Company, shareholders are provided with the option to participate remotely by mail vote in the vote on the items of the Annual General Meeting and any Repetitive Meeting, that will take place before the General Meeting, under the conditions of the legislation in force and the specific provisions in the present invitation.

Pursuant to articles 121 par. 4, 124 par. 6, 125, 126 and 128 of Law 4548/2018, the Company informs the shareholders on the following:

A. Right To Participate and Vote in the General Meeting

In the Annual General Meeting of 30 April 2025 is only entitled to participate and vote any person who has the status of shareholder at the start of the fifth (5th) day before the meeting date of the Annual General Meeting, i.e. at the beginning of 25 April 2025 ("**Record Date**").

The Record Date of 25 April 2025 is also the record date for the Repetitive General Meeting.

For the Company, shareholder who is entitled to participate in the General Meeting and exercise the right to vote is considered any person who is registered on the Record Date in the Dematerialized Securities System (DSS) of the company "Hellenic Central Securities Depository S.A." (ATHEXCSD) or any person identified as such based on the relevant date through registered intermediaries or other intermediaries in compliance with the provisions of the legislation (Law 4548/2018, Law 4569/2018, Law 4706/2020 and Regulation (EU) 2018/1212) and the Rulebook of Operation of the Hellenic Central Securities Depository (Government Gazette B/1007/16.03.2021).

The shareholder capacity is verified by any legal means and in any case based on information the Company receives by ATHEXCSD via a direct electronic linkup of the Company with the records of DSS or through the abovementioned intermediaries in accordance with the abovementioned provisions. A shareholder may participate in the General Meeting on the basis of confirmations or notifications of articles 5 and 6 of Regulation (EU) 2018/1212 provided by the intermediary unless the General Meeting refuses this participation for a good reason that justifies its refusal in accordance with the provisions in force (article 19 par. 1 of Law 4569/2018, article 124 par. 5 of Law 4548/2018).

Exercising the rights of participation and vote does not require either the blocking of the shares of the beneficiary or any other similar procedure which limits the ability to sell and transfer these shares during the period between the Record Date and the date of the General Meeting. Each share is entitled to one vote.

B. Procedure for Participating and Voting remotely in real time by teleconference

In order for shareholders to participate and vote at the Annual General Meeting on 30 April 2025 or at any Repetitive Meetings which will take place remotely, in real time by teleconference, without their physical presence, they or their proxies must create and use an electronic shareholder account at the internet platform that has been developed by the Hellenic Exchanges – Athens Stock Exchange Group to provide remote General Meeting services, in real time, by teleconference to listed companies on the website <https://axia.athexgroup.gr/en/home>.

The internet platform is provided by the company "Hellenic Central Securities Depository S.A." (ATHEXCSD), while for the teleconference are used the ZOOM meeting services of the company Zoom Video Communications Inc.

In order to access the internet platform, a personal computer, a smartphone or a tablet with an installed browser and internet access is required.

In order for a shareholder or his/her proxy to create an account in the internet platform above, a valid electronic mail (email) account and a mobile telephone number are required by the shareholder or his/her proxy.

If, on accessing the internet platform, the above information entered by the shareholder does not match the information registered in the Dematerialized Securities System (DSS) and has been provided to the Company by the "Hellenic Central Securities Depository S.A." (ATHEXCSD) or through intermediaries, as part of its services to facilitate shareholder identification for remote general meetings which are provided to listed companies in accordance with Part 3 of Decision No 8 of the "Hellenic Central Securities Depository S.A." "Technical terms and procedures for the provision of the Registry, Corporate and Other Related Actions Service", as well as with the document "Terms and Conditions for the remote General Meeting of Shareholders", shareholders must provide and/ or update the information above, in order to create the account.

For this purpose, shareholders are requested to contact without delay the Participant of the Securities Account in the DSS or any other intermediary that provides them with custody services for the shares of the Company, as the case may be, in order to notify and/ or update their valid email address and mobile telephone number for their identification.

Further instructions to participate at the General Meeting by teleconference will be posted on the website of the Company and will be sent via email to shareholders that have completed the above procedure and are eligible to participate at the Annual General Meeting or any Repetitive meetings.

For any questions and for instructions, shareholders may contact the Company's Investor Information Services Division by email at investorsinfo@eurobankholdings.gr or by telephone at +30 2144046400 (daily between 09.30 and 17.00).

Furthermore, from the publication of the Invitation and until the end of the General Meeting, information and support will be provided to shareholders and their representatives on matters relating to the conduct of the General Meeting via the platform AXIA e-SM (e.g. sign in, voting, etc.) at (+30) 210 3366426 or by e-mail to AXIAeShareholdersMeeting@athexgroup.gr.

Shareholders that participate at the Annual General Meeting by teleconference in real time are taken into consideration for the formation of the quorum and majority and will be able to exercise their rights effectively during the General Meeting.

On the date of the General Meeting, in order to participate in the proceedings, shareholders must log in on time through the Internet Platform, at least fifteen minutes (15') before the start time of the General Meeting announced in the Invitation and state the number of voting rights with which they will participate in the General Meeting and vote and, whether they wish to amend it (to a smaller amount).

Shareholders that will have been successfully connected to the internet platform will be able to participate in the Annual General Meeting by teleconference in real time via a link that will be sent to them by email.

By activating the teleconference application ZOOM through the link at the start of the Annual General Meeting, shareholders will be able to:

- a) follow the proceedings of the General Meeting with electronic or audiovisual means,
- b) take the floor and address the General Meeting orally while it is conducted,

while at the same time through the internet platform, they will be able to:

- c) vote in real time during the General Meeting on the items of the agenda and
- d) receive information on the recording of their vote.

C. Procedure for remotely participating in the vote that takes place before the General Meeting (Mail Vote)

I. In addition, shareholders have the option to participate remotely, in person or by proxy, at the vote on the items of the agenda of the General Meeting that will take place before the General Meeting, under the conditions of article 126 of Law 4548/2018 and according to the following.

More specifically, shareholders that wish to participate and vote remotely on the items of the General Meeting that will take place before the General Meeting can make use of the following options:

a) either by exercising the right to vote before the General Meeting through the electronic platform <https://axia.athexgroup.gr/en/home> in which they will have previously created an account and have successfully registered as described in B. above at the latest until twenty-four (24) hours before the date of the Annual General Meeting (i.e. until 10.00 a.m. on 29.04.2025 at the latest),

b) or by completing and submitting the "Mail vote Document", with the signature authenticated, to the Company's Investor Information Services Division at: Panagouli & Siniosoglou Streets, Building E, 14234 N. Ionia,

or by sending it digitally signed by using a recognized digital signature (qualified certificate) by the shareholder, the representative or the proxy, via email at investorsinfo@eurobankholdings.gr, at least twenty-four (24) hours before the date of the General Meeting (i.e. until 10.00 a.m. on 29.04.2025 at the latest),

c) or by participating based on confirmations or notifications provided by intermediaries under articles 5 and 6 of Regulation (EU) 2018/1212.

Shareholders that vote as above before the General Meeting are counted to form the quorum and majority, provided that the votes in question have been received by the Company by 10.00 a.m. on 29.04.2025 at the latest.

II. It is noted that shareholders that wish to appoint proxies to participate at the remote vote on the items of the General Meeting which will take place before the General Meeting can appoint up to one (1) proxy; the appointment must be made at the latest forty-eight (48) hours before the date of the General Meeting (i.e. by 10.00 a.m. on 28.04.2025 at the latest), as specifically described below in D. II.

After that date, it will not be possible to participate by proxy in the vote that will take place before the Annual General Meeting.

III. If the quorum, as required by the law in order to decide the whole or part of the original agenda, is not obtained during the meeting of 30 April 2025, at the Repetitive General Meeting which will take place on Thursday, 15 May 2025 at 10.00 a.m., the right to vote remotely by mail vote must be exercised again by a vote that will take place before the Repetitive General Meeting, in the following ways:

a) either by exercising again the right to vote before the General Meeting through the internet platform <https://axia.athexgroup.gr/en/home> in which they have previously created an account and have successfully registered as described in B. above at the latest twenty-four (24) hours before the date of the Repetitive General Meeting (i.e. until 10.00 a.m. on 14.05.2025 at the latest).

b) or by completing and submitting a new "Mail vote document" that will be provided by the Company for the items for which no decision was taken on 30 April 2025, filled-in and signed, with the signature authenticated, to the Company's Investor Information Services Division at Panagouli & Siniosoglou Streets, building E, 14234 N. Ionia, or by sending it digitally signed by using a recognized digital signature (qualified certificate) by the shareholder, the representative or the proxy via email at investorsinfo@eurobankholdings.gr, at least twenty-four (24) hours before the date of the Repetitive General Meeting (i.e. by 10.00 a.m. on 14.05.2025 at the latest).

c) or by participating based on confirmations or notifications provided by intermediaries under articles 5 and 6 of Regulation (EU) 2018/1212.

Shareholders that vote as above before the Repetitive General Meeting are counted for the formation of the quorum and majority, provided that the votes in question are received by the Company by 10.00 a.m. on 14.05.2025 at the latest.

IV. For the potential Repetitive General Meeting on 15 May 2025, shareholders that had not appointed a proxy for the initial General Meeting, or shareholders that wish to replace the proxy that had been appointed, in order to participate at the remote vote that will take place before the General Meeting, can appoint up to one (1) proxy, at least forty-eight (48) hours before the date of the Repetitive General Meeting (i.e. by 10.00 a.m. on 13.05.2025 at the latest), as specifically mentioned below in D.II.

After that date, it will not be possible to participate by proxy at the vote that will take place before the Repetitive General Meeting.

For any questions and for instructions, shareholders may contact the Investor Information Services Division of the Company by email at investorsinfo@eurobankholdings.gr or by telephone at +30 2144046400 (daily between 09.30 and 17.00).

In addition, shareholders are requested to confirm that the "Mail Vote Document" is successfully sent to and received by the Company and, to this end, they can call the Investor Information Services Division of the Company at +30 2144046400.

D. Procedure for Participating and Exercising Voting Rights by Proxy

I. Shareholders may participate in the Annual General Meeting and vote either in person or by proxy. Each shareholder may appoint up to three (3) proxies. In cases where a shareholder owns shares of the Company that are held in more than one investor securities account, the above limitation does not prevent the shareholder from appointing separate proxies for the shares appearing in each account. A proxy appointment can be freely recalled. A proxy holding proxies from several shareholders may cast votes differently for each shareholder.

A shareholder may appoint a proxy for one or more General Meetings and for a specific time period. The proxy shall vote according to the shareholder's instructions, if any. Non-compliance with the instructions received by the shareholder shall not affect the validity of the resolutions of the General Meeting, even if the proxy's vote was the decisive one for the achievement of a majority. The shareholder's proxy shall archive the voting instructions for at least one (1) year, starting from the date of the General Meeting or, in case of postponement, from the date of the last Iterative Meeting in which the proxy right was exercised.

The shareholder proxy is obliged to notify the Company, before the start of the General Meeting, about any specific event, which may be useful to shareholders in order to assess the risk that the proxy may serve other interests besides the interests of the shareholder.

A conflict of interest may arise particularly when the representative is:

- a) a shareholder that exercises control of the Company, or other legal person or entity that is controlled by that shareholder,
- b) a member of the Board of Directors or in general of the management of the Company or a shareholder that exercises control of the Company, or other legal person or entity that is controlled by that shareholder, which exercises control of the Company,
- c) an employee or an auditor of the Company or a shareholder that exercises control or other legal person or entity that is controlled by a shareholder that exercises control of the Company,
- d) a spouse or a relative in the first degree with one of the private individuals that are mentioned in cases a) to c).

The appointment and revocation or replacement of the proxy or representative takes place in writing or by electronic means that are submitted to the Company at least forty-eight (48) hours before the appointed date of the General Meeting. Notification of the appointment and revocation or replacement of the proxy by electronic means is made by electronic mail at the email address on the Invitation to the General Meeting or, in case of shareholders that are identified through intermediaries, through confirmations or notifications of articles 5 and 6 of Regulation (EU) 2018/1212 provided by intermediaries.

II. Specifically for shareholder participation by proxy at the Annual General Meeting of 30 April 2025 or any Repetitive Meetings, remotely in real time by teleconference, or for shareholder participation by proxy in the vote on the items of the General Meeting that will take place before the General Meeting, shareholders or Participants in the Securities Accounts in the DSS or other intermediary that provides custody services for the shares of the Company, can appoint up to one (1) proxy, whose appointment must be made at least forty-eight (48) hours before the date of the Annual General Meeting (i.e. by 10.00 a.m. on 28.04.2025 at the latest).

For the potential Repetitive General Meeting of 15 May 2025, shareholders that had not appointed a proxy for the initial General Meeting, or shareholders that wish to replace the proxy that had been appointed, they can appoint up to one (1) proxy, at least forty-eight (48) hours before the date of the Repetitive General Meeting (i.e. by 10.00 a.m. on 13.05.2025 at the latest).

Upon receipt of the information above by the Company and based on the email address and mobile telephone of the proxy, as declared in the proxy document, the Company creates an account for the proxy on the electronic platform; the proxy is informed by email in order to activate the account in order to exercise the rights of the shareholder in accordance with what is referred to in B. and C. above.

The Company has made available documents:

- a) To appoint a proxy to participate in the General Meeting on 30 April 2025 remotely in real time by teleconference; and
- b) To appoint a proxy to vote on the items of the agenda of the General Meeting that will take place before the General Meeting.

These documents are available to shareholders in hard copy either at the Investor Information Services Division of the Company at: Panagouli & Siniosoglou Streets, Building E, 14234 N. Ionia, tel.+30 2144046400) or at the Company's offices at 8 Othons str., 105 57 Athens, and in electronic form on the website of the Company (<https://www.eurobankholdings.gr/en/investor-relations/shareholders/information-about-the-general-meetings/>).

The appropriate document must be filled-in, signed with the authenticity of the signature verified, and submitted to the Investor Information Services Division of the Company at: Panagouli & Siniosoglou Streets, Building E, 14234 N. Ionia,

or be sent digitally signed by using a recognized digital signature (qualified certificate) by the representative or the shareholder by e-mail at investorsinfo@eurobankholdings.gr at least forty-eight (48) hours before the date of the General Meeting.

In addition, shareholders are requested to confirm that the proxy document is successfully sent to and received by the Company, and, to this end, they can call the Investor Information Services Division of the Company at +30 2144046400.
